

Student Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_

**COUNSELOR RECOMMENDATIONS:**

Established nearly 30 years ago, the Bio-Med program offers students hospital rotations and certifications in EMT, CNA, CMA, HHA, EKG Tech, and Phlebotomy. Each year we accept approximately 50 students. The process to get into the program is competitive with GPA, state assessment scores, teacher recommendations, and counselor recommendations being used to select students.

This year's applications and recommendations will be completed through Google Forms. The student that gave you this needs a recommendation from you for North High School's Bio-Med Program. We thank you for taking time out of your busy schedule to fill this form out for your student. This form will take between 5 and 10 minutes to complete.

- To fill out your recommendation form, please go to [www.northbiomed.com](http://www.northbiomed.com), click on APPLY NOW and scroll down to the online counselor recommendation form.
- Follow the instructions and fill out the form completely.

APPLICATIONS AND RECOMMENDATIONS ARE DUE ON OR BEFORE: **Saturday, JANUARY 20, 2024.**

If you have any questions, please call or email Hannah Kelderman at 973-6195 or [hkelderman@usd259.net](mailto:hkelderman@usd259.net).
